## Wednesday Paddle Schedule

### May - July 2009

The CKC sponsors a weekly informal Wed. night paddle open to all members or future members regardless of skill level. We request that all paddlers arrive on time, dressed appropriately for water temperature and with all required gear. There are no formal trip leaders but we do recommend that the group discuss the trip expectations prior to launch to ensure that everyone is on board with a trip plan.

**Required equipment:** Pfd's, kayak, paddle, head lamp, kayak flotation (bulk heads or floats)

**Recommended equipment:** spray skirts, pump, drinking water, snacks, sun screen, hat, and extra clothing

**Launch Time: 6:00 pm**
